"The Storm is Upon Us"

Expect Martial Law to soon be enforced in order to handle fast-upcoming planned riots in over 400 locations across the US, a food chain collapse, fuel and goods shortages, triggering of tectonic weapons, Weather Warfare, Internet cables cut, banning of Free Speech, mass illegal immigration, deranged Transsexual Doctrine, Electoral Fraud, Inflation, Economic mayhem and a fake Alien Invasion.

"Come and See"

God honors even small acts of faith. He has marvelous things to show us. He simply wants us to set aside our biases, open our heart, demonstrate some trust and take a step of faith in His direction.

"Battle Hymn of the Republic"

[Battle Hymn of the Republic \(thetabernaclechoir.org\)](https://thetabernaclechoir.org)

Judy Note: To all Anons, Light Warriors and Digital Soldiers: It's been quite the ride, hasn't it? Soon our "When?" will turn into "Wow!" If June is the month of The Alliance Military Manifestation, then July will be the month of tremendous Revelation, August the month of our Vindication and September the beginning of Recovery and Restoration. As Q has often declared, "Buckle Up Buttercups." I add, "You ain't seen nothing yet!" God Save Our Children. ...Coach Jerry

To repeat: June: Alliance Military Manifestation; **July:** Revelation; **August:** Vindication; **September:** Recovery and Restoration.

- **Should we be prepping for some kind of Power Grid shutdown?** No. Reports of Power Grid Attacks (6 mo prep) should be disregarded. While attacks will occur, we are safeguarded by a 'Black Eye.'...Q
- **Prepare for food shortages** that would be continuing across the globe – caused by the Globalists. Just within the past week at least 16 major food producing plants in the US have been destroyed by fire.
- **BREAKING: Statement from international coalition of aviation & medical professionals** showed serious concerns about compromise in aviation safety due to vaccine injuries among flight crew. This represents over 30 airlines, 1000s of pilots & over 17,000 physicians and medical scientists.
- **Mossad sources say WHO's top staff have been arrested for spreading bio-weapons.**
- **CIA sources say that Vaccine pushers** who attended DAVOS have been arrested.
- **Benjamin Fulford: The following Fox News report about Davos was sent separately to me by the CIA, Russian FSB and Mossad in a clear message of agency agreement.** “While this Davos farce was taking place, the fake Biden was brought to Japan and South Korea to assert the line of control in Asia won by the US military in World War II. However, the trip was a failure because India refused to join a Military Alliance against China and Russia sources close to Indian Prime Minister Narendra Modi say.”

A. Judy Reminder on the Global Currency Reset: No one, and I mean *Absolutely No One* knows the exact time and date that the Global Currency Reset would be finalized, with codes entered for notification of Tier 4B (us, the Internet Group) to set redemption/ exchange appointments. That deadline would be decided out of calculations of the Military Quantum Computer and based upon concerns for safety of The People. Trust the Plan.

- **The gold-backed Chinese Yuan** has replaced the fiat US Dollar as the world's reserve currency.
- **On Thurs. 11 May** the Global Currency Reset was activated according to Q and Trump.
- **A few days later** the King Pin of the GCR – the Iraqi Dinar – was removed from an International Sanction's List, and Iraq was told they could revalue their Dinar at any time.
- **On Fri. 20 May** the GCR Tokens were issued, with certain qualifying banks given liquidity in the new financial system, according to Charlie Ward, head of the GCR Redemption Committee.
- **On Mon. 30 May** the Sovereign Gold Bonds went live.
- **Global Currency Reset Funds** would be available to the General Public somewhere around **the beginning of June** according to Charlie Ward, head of the GCR Redemption Committee.
- **Tues. evening 31 May MarkZ:** “I am still hearing from the banks that **tomorrow Wed. 1 June** is still the go date.
- **Tues. 31 May 2022 The Big Call, Bruce:** Thebigcall.net 667-770-1866 pin123456#:

- **On Sat. 28 May** Bankers had conference call with Redemption Centers that pinpointed **Wed. 1 June to start.**
- All currencies of the world needed to be gold/asset-backed by **9 am EST Wed. 1 June.**
- All nations of the world had to be on the Quantum Financial System by **noon Wed. 1 June.**
- All banks of the world had to be Basel III compliant by **Wed. 1 June.**
- Iraq to announce the revaluation of their Dinar by their **Wed. 1 June.**
- Conference today in Reno that would decide whether to begin either **Wed. or Thurs. 1, 2 June.**
- A source in New York said we should be notified late morning **Wed. 1 June.**

C. Restored Republic:

- **Thurs. 2 June to Mon. 6 June:** The Queen would not attend Trooping The Colour that included a Four Day National Bank Holiday (need 3 to 5 days for the GCR).
- **Fri. 17 June:** Battle of Bunker Hill + 17 Days = **July 4.**
- **On Tues. 17 May, 2022 at 11:00 am EST** a Constitutional Convention of 34 US States was held in Washington DC, where US Inc was declared officially dead and the US Republic was Restored to principles as outlined in the original Constitution. Ten Democrat governors decided not to have their state participate in the Restored Republic (that is, they remained true to the Deep State), while Hawaii would proudly revert to their original sovereign status as a Nation State: The Kingdom of Hawaii. Status of the remaining five states was unknown.
- **Q Drops indicated** that the Deep State would turn to violent protests across the U.S. and cause Military Divisions to be deployed for crowd control.
- **Over 400 sites across U.S.** were planned for Liberal protests against SCOTUS possible turn over after Justice Robert confirms the Leaks.
- **These 400 planned protests** will turn into riots as being planned by Deep State, Antifa and Left Wing Extremists.
- **The National Guard** was expected to be deployed in all U.S. States.
- **When clashes become too heavy**, dangerous and violent it's highly expected that Army divisions Light Infantry Units will be deployed.
- **Training for Army units** has begun in secure locations throughout North American regions on how to combat inner city Civil disturbance operations.
- **Currently the UN** was also holding Military drills on combating Civil unrest in large cities and gray zones.
- **SCOTUS Chief Justice Roberts** was a turn coat (playing a part and placed by White Hats). His crimes were massive, Treasonous and connected wars through FISA courts. His wealth was heavily connected to human trafficking, money laundering in Ukraine, Israel, Iran and Saudi Arabia (old Clinton world Saudis ties that were now ending).

- **Behind the scenes the White Hat operations** were targeting the Senate captured foreign operations. The Senate was headed into exposure, collusion and collapse.
- **Major news was about to hit from Middle America / South America** that would affect the US. This Event would silence Ukraine for awhile, but U.S. citizens weren't ready for this Event and will be shocked.
- **Cartels run Middle and South America.** You can't fix the U.S and world Deep State if you don't take down Cartels that run countries while working for the Deep State. They connect oil shipping, produce, foods, paper, coffee and natural resources.
- **A huge cleaning was underway across the Cartel World** that was deep in War inside Killing Fields and taking sides along White Hat, or Black Hat operations.
- **Iran has amassed almost 4 metric tons** of enriched uranium, more than 18 times over the limit agreed in the 2015 deal, says the International Atomic Energy Agency in a new report.
- **The world's largest multi-media news provider – Reuters** – is owned by Black Rock, which is owned by the CIA, which is owned by the Queen of England, who answers to the Vatican and Pope, who has been convicted by the International Common Law Court of Justice in Brussels of Crimes Against Humanity for it's promotion and funding of an international Child Sex Trafficking Ring including overseeing on an international scale, regular Satanic Child torture and Sacrifice rites done in honor of Satan.

- **It was never about another four year election.** It has always been about the children and that is what keeps us fighting every single day. We are the voices for the children and the children who don't have voices anymore. Their innocence and lives were stolen from them at the hands of the evil satanic child trafficking pedophiles.

The chicken was jabbed with the applied mRNA liquid of death, which is killing people. The alien artificial nanotechnology of the synthetic GMO mRNA "jab" continued to live actively in the dead headless carcass.

- **Record inflation devours the European economy** — experts predict more than 8% by the end of May. According to the European Statistical Agency, inflation has caused a 40% increase in the price of energy products from Russia. The highest level of inflation is observed in the Baltic States - up to 18.5%. Europeans are already feeling the fall of the economy today - 25% of Germans assess their situation as "emergency", and one in four Britons admits that they live "from hand to mouth".

- **Kiev is unhappy with the compromise oil embargo against Russia** from the 6th package of EU sanctions. “Too slow, too late and definitely not enough. We are definitely unhappy,” Ihor Zhovkva, deputy head of the Zelensky Office, told Reuters. It is assumed that the EU ban on the import of crude oil by sea from the Russian Federation will take effect 6 months after the official entry into force of the sanctions. J. White Hat Intel:

- **The fake Alien Invasion**, or Project Blue Beam, uses clouds. **First, the Deep State** in many countries start to declassify UFO documents, and then the Mainstream Media plasters the story around. **Eventually in unknown countries**, lights are seen in the clouds and huge UFO crafts are seen behind the clouds. **Then loud sounds** like explosions are heard – it is 5G using super Sonic sounds that connect to your ear drum frequency, which simulates Alien Telepathy. **Then Earthquakes** and storms produced by

the Geo-Engineering patents the government has had since 1892. **After the Earthquakes** new fake archeology will be found that will connect the Aliens behind the clouds. **Your phone will** then transmit fake Alien stories and sounds, pictures and videos. **After all this crap is done** the Deep State Cabal will have tried very hard to install a new religion – bring in the real Antichrist End Agenda that is connected to future sacrifices and world control, mass extermination and blah, blah, blah. **This Project Blue Beam** was always in the cards as the Deep State's last resort. **They have already started Project Blue Beam** in Rothschild's bought countries – think Russian border countries. **Most likely this project Blue Beam** will be BETA tested in many virtually unknown countries that are owned and bought by the Rothschilds, Rockefellers Kazarian Mafia Biblical dark blood lines. **Why would someone create a fake Allen invasion?** Because it's the Cabal, or Deep State's last chance to hold onto power.

- **In the past years** they are being exposed world wide – from the Vatican pedophilia, to human trafficking, Cult Satanic orders to human (mainly child) sacrifices.
- **It's corruption across the globe** stemming from the Rothschilds, World Banks, CIA, Rockefellers and 3,000 of Elite families that control Europe, NATO and Chinese Communist Party. It includes corruption in the US of most officials from the federal levels to states and cities.
- **Next step in the Event** will be to close China's ports. Last year's Beta Test was complete. Now it was time to squeeze the supply chains worldwide.
- **The Russia-China Scare Event** was necessary as a trigger.
- **Russia has hands** in Cuba, Venezuela, Africa, Serbia, Belarus, Kazakhstan, Middle East.
- **China has military Battle ships with Nuke capabilities** in over 60 countries and China was set to collapse the supply chain.
- **Events:** Taiwan, supply chain collapse of food, oil, gas, natural resources; trigger tectonic weapons, weather warfare, cut Internet cables.
- **Events:** Red October; the silent Covert War; the overt Green War; the year of Martial Law; coups
- **Military** is the only way. Q
- **Cyberattacks were gaining momentum** as other U.S. and European students, groups and organizations (outsourced controlled projects by CIA posts in Harvard, Yale, Stanford and several colleges in U.S. and EU) begin major attacks against Russia. These Cyber Attacks will continue as China enters the Cyber Attacks and start plans to attack Taiwan in March.
- **Iran, Israel, Turkey, India, China, Pakistan,** Serbia, Romania, Europe, Saudi Arabia, Yemen and many other countries were getting ready to enter the Cyber Attack Warfare in order to protect or attack their enemies and protect their infrastructure, Banking System, Grids and Military Electronic infrastructure.
- The world wide collapse begins picking up speed as hundreds of billions were being pulled from U.S. EU., Asia, and worldwide markets.

K. Covid/Monkey Pox/Vax Hoax:

- **The CDC just issued Level 2 travel alert on monkey-pox; Level 3 coming in June and will likely restrict travel of Americans.** Just as many predicted would happen, the U.S. Centers for Disease Control and Prevention (CDC) is ratcheting up the fear over monkey-pox, which appears to be the globalists' next plandemic. The new advisory urges travelers to avoid people with "skin lesions" or "genital lesions," as well as wild animals and small mammals such as rodents (rats and squirrels) and non-human primates (monkeys and apes).

Dr. Paul Thomas: "I'm already seeing ads for 'Oh, did you know one in three people have shingles?' What? I've seen a handful of cases of shingles in my 35 years! Shingles is a rare disease when your immune system is not working." "You are being turned into human ATM machines for big business who will only profit the sicker we get."

- **Dr. Paul Alexander:** "They closed schools, they took children out of schools, they closed universities, they closed businesses, they closed the society on a test that had a 97% false positive [rate]. That's a fact!"
- **Motion to lift COVID-19 travel restrictions in Canada has been defeated.** Sorry Canada! NWO Communist is ruling Canada and people are still sleeping. COVID-19 travel restrictions will remain in Canada for an unknown amount of time.

- Where the flu went in 2020?
- Why the global death count didn't change in 2020?
- Why Covid didn't wipe out the homeless population?
- Why billions of healthy people were quarantined for the first time in history?
- Why the inventor of the PCR test Kary Mullis was silenced and then died in 2019?

- Why the PCR test amplification "PCR primer genome sequences" were applied for multiple times (an extremely wide genome scope) in order to provide a high probability for false positives by the WHO's Christian Drosten?
- Why the highly respected co-creator of mRNA technology Dr Malone was suddenly censored for calling cOvid narrative in to question??
- Why nobody is outraged by the human rights abuses in Shanghai, simply because not covered truthfully in the TV news? Only Ukraine non stop (repetition)
- Why Covid avoided Africa?
- Why Covid avoided places that didn't lockdown?
- Why a piece of fruit and a goat tested positive?
- Why the majority of positive cases at the beginning of the pandemic were people who hadn't left their homes?
- Why Covid was the first virus in history where the majority of people who supposedly had it were "asymptomatic" but could still supposedly spread it?
- Why lockdowns did NOTHING to slow the spread?
- Why the vaxxines did NOTHING to slow the spread?
- Why we've seen a 1,100% spike in myocarditis in children
- Why football stadiums were filled with maskless people while our children were muzzled in the classroom?
- Why the violent riots of 2020 weren't "super spreader events"?
- Why the MSM doesn't cover the millions of adverse reactions and tens of thousands of deaths reported to VAERS?
- Why yellow card and VAERS events are referred back to their GP/MD and not to the event reporting portals.
- Why the JCVI suggested to "not vaccinate children", but this was over ruled by Chris Whitty who accepted £30 Million+ in bribes from Billionaire oligarchs with Vaxxine Investment interests.
- How government friends and family had pharmaceutical companies already set up to bulk order PPE and launder public money through their private companies, making multi millions. As if it

was pre organized and they managed to win these lucrative contracts, then excess PPE was burned at facilities that government officials were co-investors of.

- How nurses in "over run hospitals" had time to make Tik Tok dance videos at the height of a supposed pandemic.

- How having large crowds clapping on and around a London bridge (including police and paramedics etc) was encouraged whilst we are told to keep distance.

- Why a lawyer was jailed in France on "treason" for assisting the World's Top Corruption and Medical Lawyer Reiner Fuellmich (took down Deutsche Bank and Volkswagen on corruption charges from a U.S. court fined multiple Billions). Fuellmich's team spotted Vaxxine patterns exposing Hot Batches and a psychological model called "The Endorser Effect". So not everybody had a negative vaxxine reaction, causing those people to promote the experimental vaxxines.

- WHY SO CALLED "CONSPIRACY THEORISTS" WERE RIGHT ABOUT ALMOST EVERYTHING AND YOU STILL REFUSE TO ACKNOWLEDGE IT

L. WHO forced into humiliating back-down over IHR Amendments in Geneva today.

<https://www.parliament.qld.gov.au/Work-of-the-Assembly/Petitions/Petition-Details>

- **Brilliant news out of Geneva today!** As most of you know, the World Health Assembly has spent the past 7 days considering Biden's 13 controversial amendments to the International Health Regulations. Official delegates from wealthy developed nations like Australia led by our Federal Chief Health Officer, UK and the US, spoke in strong support of the amendments and urged other states to join them in signing away their countries' sovereignty.
- **The first sign, however, that things might not be going the globalists' way**, came on Wednesday, the 25th of May, which just happened to also be Africa Day. Botswana read a statement on behalf of its 47 AFRO members, saying they would be collectively withholding their support for the 'reforms', which many African members were very concerned about.
- **Multiple other countries** also said they had reservations over the changes and would not be supporting them either. These included Brazil, Russia, India, China, South Africa, Iran and Malaysia.
- **Brazil in particular** said it would exit WHO altogether, rather than allow its population to be made subject to the new amendments.
- **In the end, the WHO** and its wealthy nation supporters, were forced to back down.
- **They have not given up though** – far from it. Instead, they did what they always do and 'pivoted.' At their request, a new working group was convened to make "technical

recommendations on the proposed amendments” which will re-submitted along with the Pandemic Treaty, at the 77th Health Assembly meeting in 2024.

- **There has also been lots of pushback from Republicans** in the US, with a number of them introducing new bills giving the US Congress/Senate powers to override any WHO mandates or directives issued as part of any International agreements.
- **One, called the ‘No WHO Pandemic Preparedness Treaty Without Senate Approval Act’**, has 15 co-sponsors and was introduced to the Senate on Thursday by Republican Senator Ron Johnson, who said “The sovereignty of the United States is not negotiable”.
- **Here in Australia**, we need to keep the pressure up on our own parliaments, both Federal AND State, up the ante and don’t ever look sideways. Just brace for the digital ID now, as the Federal Parliament reboots, we need to push back at all cost on that from this week moving forwards.
- **I urge everyone** who has not already done so, to sign and share my Queensland Parliament Petition on the IHR Amendments and Pandemic Treaty: E-Petition: <https://www.parliament.qld.gov.au/Work-of-the-Assembly/Petitions/Petition-Details?id=3749>

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

Q. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

R. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

S. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

T. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
